HAIVEN, INC.
ADDENDUM TO EMPLOYMENT OFFER LETTER AND AT-WILL EMPLOYEE AND CONTRACTING AGREEMENT

Date: July 28, 2026
Employee: Brian Takita
Position: Backend Software Engineer

This Addendum is entered into by and between **Haiven, Inc.** ("**Comp**

Employee will attach

any") and **Brian Takita** ("**Employee**") and modifies the Employment Offer Letter dated July 26, 2026 (the "Offer Letter") and the At-Will Employee and Contracting Agreement (the "Agreement"). In the event of any conflict between this Addendum and the Offer Letter or the Agreement, this Addendum controls. Capitalized terms not defined herein have the meanings given in the Offer Letter or Agreement.

1. Equity Grant
Subject to Board of Directors approval, the Company will grant Employee an option to purchase 16,053 shares of the Company's common stock which is equal to one percent (1.00%) of the Company's fully diluted capitalization measured immediately after the grant (the "Option").

- The fully diluted denominator will include all outstanding common and preferred shares, all shares reserved under the equity incentive plan (whether granted or ungranted), warrants, SAFEs, and convertible notes (on an as-converted basis).
- The Board will consider and, if approved, authorize the grant within thirty (30) days after Employee's start date of July 29, 2026.
- Vesting will commence on the July 29, 2026 start date regardless of the later date of Board approval or execution of the option agreement.
- 25% of the Option will vest on the one-year anniversary of the start date; the remaining 75% will vest in equal monthly installments over the following thirty-six (36) months, subject to continuous service.
- The Option will be an Incentive Stock Option (ISO) to the maximum extent permitted under Section 422 of the Internal Revenue Code; any excess will be a Non-Qualified Stock Option (NSO).
- Exercise price will equal the fair market value on the grant date as determined by the most recent 409A valuation (or Board determination if no current valuation exists).
- Option term and post-termination exercise periods will be as set forth in the Company's equity incentive plan and the form of stock option agreement.
- Change-of-control treatment will be as provided in the equity incentive plan (or as otherwise determined by the Board in connection with the grant).

The Company will provide Employee with the current equity incentive plan and the proposed form of stock option agreement prior to or concurrent with execution of this Addendum. The

phrase “eligible to receive one percent” in the Offer Letter is hereby clarified and superseded by the terms of this Section 1.

2. Approved Outside Engagements
The Company acknowledges and approves the continuation of the following pre-existing outside activities, **provided they do not materially interfere with Employee’s duties to the Company and Employee maintains strict logical and physical separation of confidential information, accounts, repositories, credentials, and work product**:

(a) **Apollo Solutions** (technology engagement in which Acadian Financial Services is the current end client; Employee does not contract directly with Acadian);

(b) **MonsterRodHolders.com** (independently owned business and associated website, products, software, content, operations, compensation, and intellectual property); and

(c) **Equity Funding Source** (independent engagement and associated website, software, content, operations, compensation, and intellectual property).

Notwithstanding Sections 3, 4, 8, and 11 of the Agreement and the Conflict of Interest Guidelines (Exhibit B):

- All compensation, fees, equity, work product, inventions, and confidential information arising from the approved activities remain the sole property of the Employee or the applicable third party, as required by their governing agreements.
- The Company acquires no ownership interest or license in any such work product or intellectual property merely because the activities continue during employment.
- The Company will not require disclosure of any third party’s confidential information.
- This approval may not be revoked retroactively and may not be used to claim compensation already earned under the approved activities.
- Any future conflict concern will be addressed prospectively and in good faith.

Employee may submit additional outside activities for written approval under the same conflict-based standard. Any activity approved in writing will receive the same compensation, intellectual-property, and confidentiality protections set forth above. Section 11 of the Agreement is modified solely with respect to the activities approved under this Section 2 (and any future activities approved in writing); it otherwise remains in full force.

3. Prior Intellectual Property – Exhibit A
Employee will attach a completed Exhibit A listing pre-existing open-source projects, private projects, repositories, software libraries, websites, independently owned materials associated with outside consulting, products, writings, trademarks, and other prior intellectual property. The completed Exhibit A is incorporated into the Agreement. All items listed on Exhibit A remain excluded from the definitions of Company Inventions and Work Product. The representation in Section 3.4 of the Agreement that an empty Exhibit A means there are no Prior Inventions is of no force or effect once a completed Exhibit A is attached.

The Washington-specific statutory language in Section 3.3 (RCW 49.44.140) is clarified to the extent necessary to confirm that any Invention that qualifies under applicable employee-invention statutes of the state in which Employee primarily performs services (Connecticut) is likewise excluded, provided the Invention was developed entirely on Employee's own time without use of Company equipment, supplies, facilities, or Confidential Information and does not relate directly to the Company's business, actual or demonstrably anticipated research or development, or companies in which the Company has a material equity interest or formal strategic partnership agreement.

4. Corrections to Termination and Related Terms

(a) The final non-competition paragraph in Exhibit C (referencing Section 10, the "Geographic Area," and a two-year restriction) is deleted in its entirety. Section 10 remains intentionally struck.

(b) If the Company terminates Employee's employment without Cause before the one-year cliff, Employee will receive actual vesting credit equal to 1/48 of the total Option shares for each full month of continuous service completed prior to the termination date. "Cause" means (i) willful failure to perform material duties after written notice and a reasonable opportunity to cure, (ii) gross negligence or willful misconduct that materially harms the Company, (iii) conviction of (or plea of guilty or nolo contendere to) a felony or crime involving moral turpitude, (iv) material breach of the Agreement or this Addendum that remains uncured after written notice, or (v) fraud, embezzlement, or material dishonesty against the Company.

(c) Signing-bonus repayment: If Employee voluntarily resigns or is terminated for Cause within twelve (12) months of the start date, Employee will repay a prorated portion of the signing bonus actually paid, calculated as (amount paid) × (number of full months remaining in the 12-month period ÷ 12). No repayment is required if employment ends by termination without Cause, layoff, death, disability, or resignation for Good Reason (as that term may be defined in any subsequent agreement). The second $10,000 installment will be paid on or before December 31, 2026, regardless of whether an "official launch" is declared.

5. Work Location, Payroll, and Governing Law

Employee will perform services remotely from Connecticut. The Offer Letter's reference to "Greater Boston, MA" is corrected to "Remote – Connecticut." Employment and payroll records will reflect the physical work address **1 Park St, #2-571, North Grosvenordale, CT 06255** and the mailing address **PO Box 571, North Grosvenordale, CT 06255**.

The Company (or its payroll provider) will maintain appropriate Connecticut withholding, unemployment insurance, workers' compensation, and Connecticut Paid Leave compliance. The semi-monthly pay schedule (15th and last day of the month) will continue during the period of active employment of the Employee by the Company; the Company will obtain any required Connecticut Labor Commissioner waiver if necessary.

Governing Law and Dispute Resolution. The Offer Letter's Wyoming/Laramie County provisions and the Agreement's Washington/Spokane provisions are reconciled as follows: This Addendum, Offer Letter, and Agreement will be governed by the internal laws of the State of Washington (without regard to conflict-of-law principles). Any dispute will be resolved by binding arbitration administered by the American Arbitration Association under its Employment/ Workplace Arbitration Rules, seated in Spokane County, Washington (or virtually by default unless the arbitrator determines an in-person hearing is necessary or the parties agree otherwise). The Company will pay all AAA administrative fees and arbitrator compensation; Employee's filing fee is capped at the amount required to file an equivalent claim in court. The arbitrator may award any remedy available in court, including statutory fee-shifting. Non-waivable protections of Connecticut law applicable to Employee's work location are preserved. Jury trial is waived as set forth in the Agreement. Either party may seek provisional injunctive relief in any court of competent jurisdiction as provided in Section 13.3 of the Agreement.

6. Home-Office Pre-Tax Compensation

The suggestion in the Offer Letter that a portion of base salary may be converted into a pre-tax rent payment is deleted. Any home-office support, if offered, will be structured as a separate accountable-plan reimbursement that does not reduce the stated $155,000 annual base salary and will be reviewed by the Company's payroll and tax advisors.

7. Supporting Documents and Benefits

The Company will provide Employee, prior to or concurrent with execution of this Addendum, the current employee handbook (or relevant excerpts), vacation accrual and carryover policy, equity incentive plan, and form of stock option agreement. Health-coverage effective date and employee contribution rates by tier will be confirmed in writing as part of onboarding materials.

8. Acceptance Deadline

The acceptance deadline in the Offer Letter is extended until 5:00 p.m. Pacific Time on the first business day after the Employee receives this fully countersigned Addendum (or such later date as the parties may agree in writing).

All other terms of the Offer Letter and Agreement remain unchanged and in full force and effect.

IN WITNESS WHEREOF, the parties have executed this Addendum as of the date first written above.
